DETAILED ACTION

Response to Amendment

In response to the amendment filed 1/9/2004, claims 1, 2, 5-7, 10, and 12-15 are amended. Claims 1-15 are pending.

Drawings

The drawings were received on 1/9/2004. These drawings are acceptable.

Allowable Subject Matter

Claims 1-15 are allowed. The following is an examiner's statement of reasons for allowance:

There is not taught or disclosed in the prior art the excimer or fluorine laser devices as claimed having the means for providing an output waveform having the laser pulse form as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2828

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. This reference by the same inventive entity has a similar disclosure to the present application, but the claims are not related enough for a double patenting rejection.
